

WRIGHT LAW, LLC
A WYOMING LIMITED LIABILITY COMPANY

BANKRUPTCY SERVICES & PRICING

Figuring out how to pay for a bankruptcy attorney shouldn't cause you additional stress.

Wright Law, LLC offers multiple pricing options—from **limited-scope services** (you do some of the work with attorney guidance) to **full representation** (we handle everything). Many clients are surprised to learn they can afford full representation once we identify strategic ways to redirect money currently going to creditors toward a plan that moves them forward.
